To assist in achieving 2012-2013 Budget Savings, the State reached a side letter labor agreement with the California Statewide Law Enforcement Association (CSLEA) representing State employees in Bargaining Unit 7. **ADDITIONAL INFORMATION**

- This pay reduction shall not affect transfer determinations between State civil service classes.
- Compensation for the purpose of retirement, death, and disability benefits shall not be affected by this reduction and shall be based on the unchanged salary rate.
- Service calculation for the purpose of retirement allowances shall be based on the amount of service that would have been credited based on the unchanged salary rate.
- A State employee shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits he or she would have received had the PLP 2012 not occurred.
- PLP 2012 shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- PLP shall have no cash value and may not be cashed out.
- PLP 2012 shall be requested, approved by the supervisor, and used by the employee in the same manner as vacation or annual leave.
- PLP 2012 must be used in the pay period in which it is earned. For the July 2012 pay period, departments are encouraged to meet with their employees as soon as possible, to determine when employees will use their PLP 2012 day.

If an employee has not scheduled their PLP 2012 day by the 20<sup>th</sup> of the month, their supervisor needs to meet with them to schedule their PLP day prior to the end of each month. If the employee will not participate in choosing a day, the supervisor should schedule the PLP day which coincides with the employee's regular days off.

Departments should develop a system for using PLP 2012 in the month that it is accrued. For example, for the PLP 2012 earned in the August 2012 pay period, supervisors should meet with their employees by the end of July 2012 to schedule PLP leave for the August 2012 pay period.

- When this is not operationally feasible, PLP 2012 shall carry over and will be used before any other leave, except sick leave.
- PLP 2012 leave credits shall not be included in the calculation of vacation/annual leave balances pursuant to Article 9 (Leaves) in the MOU.
- Employees on NDI, ENDI, IDL, EIDL, or Worker's Compensation for the entire pay period shall be excluded from the PLP 2012 for that pay period. Employees off for a partial month shall receive PLP 2012 credits based on the intermittent chart above.
- Employees who work less than their time base (e.g., dock, appointed or separated other than the first day of a pay period), shall have their 2012 hours applied on a prorated basis. To determine the prorated credit for a full-time or part-time employee, convert the employee's time worked in the pay period to hours and credit the employee with PLP 2012 hours based on the intermittent chart above.
- Seasonal and temporary employees are not subject to PLP 2012.
- Employees newly hired on or after July 1, 2012 while the PLP 2012 is in effect will be subject to this program for its duration.
